

# Hospitality Ministries

## GREETERS

Do you remember what it feels like to walk through the doors of a new church?

Would you like to be the smiling face that greets our guests and our church family?

We presently have greeters serve for a month at one or the other service. If we get more volunteers then they would serve less...perhaps a couple weeks at a time.

Contact the church office for more information—996-4937 or [nbcoffice@mitchelltelecom.net](mailto:nbcoffice@mitchelltelecom.net)

## USHERS

In addition to our GREETERS we have a group of people who serve as ushers...helping the people to find seating during the services. If you would like to service as an USHER contact the church office for more information—996-4937 or [nbcoffice@mitchelltelecom.net](mailto:nbcoffice@mitchelltelecom.net)

It's important to help our people to find seating as well as the nursery and answer questions our guests may have.

## Communion Preparation

On the first Sunday of the month we celebrate communion. We have a team of 3 people to help set up communion ....two prepare the elements before each service and one cleans up after the second service.

To service in this ministry—contact Kim Young 996-2543.
